

ASX Announcement

2 July 2014

ASX Code: VKA

Exclusivity Agreement - Akoase Gold Project in Ghana

Viking Mines Limited (ASX: VKA, the “**Company**” or “**Viking**”) today announced that it has entered into an Exclusivity Agreement with Ghanaian company Akroma Gold Co. Ltd (“**Akroma**”) in relation to Viking’s 100% owned Akoase gold project in southern Ghana.

The agreement, the terms of which include the payment of an option fee of US\$90,000 grants Akroma a 3 month period of exclusivity to undertake due diligence on Akoase to enable Akroma to negotiate a transaction with Viking Mines in relation to Akoase at any time within that 3 month period.

Akroma is the owner of the neighbouring Sian gold project, approximately 12 km northwest of Akoase. Sian has historically reported an NI 43-101 Indicated and Inferred resource of 396,000 ounces. In July 2012 TSX listed Midlands Minerals (MEX.TSX-V) sold their 65% interest in the Sian gold project for a cash price equivalent to US\$13.20/oz.

The Akoase gold project has a JORC (2012) Inferred resource of 790,000 ounces of contained gold and is located 150km north of Accra, and 25km from Newmont’s Akyem gold mine, on the margins of the Ashanti Gold Belt, one of the most prolific gold bearing provinces in the world (Figure 1).

Note:

The information in this report concerning the Mineral Resources of Viking Mines is extracted from the report entitled “12% Increase to 790,000 oz in Gold Resource for Ghana Project” created on 4 October 2013 and is available to view on Viking Mines website at www.vikingmines.com. Viking Mines confirms that it is not aware of any new information or data that materially affects the information included in the original market announcement and, in the case of estimates of Mineral Resources or Ore Reserves that all material assumptions and technical parameters underpinning the estimates in the relevant market announcement continue to apply and have not materially changed. Viking Mines confirms that the form and context in which the Competent Person’s findings are presented have not been materially modified from the original market announcement.

Peter McMickan
Managing Director

Competent Persons Statement: The information in this Public Report that relates to Exploration Results, Mineral Resources or Ore Reserves is based on information compiled by Mr Peter McMickan, who is a Member of the Australasian Institute of Mining and Metallurgy. Mr McMickan is a full time employee of Viking Ashanti Limited. Mr McMickan has sufficient experience that is relevant to the style of mineralization and type of deposit under consideration and to the activity that he is undertaking to qualify as a Competent Person as defined in the 2012 Edition of the Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves. Mr McMickan consents to the inclusion in the report of the matters based on his information in the form and context in which it appears.

Forward Looking Statements: This document may include forward looking statements. Forward looking statements may include, but are not limited to statements concerning Viking Ashanti Limited’s planned exploration programs and other statements that are not historical facts. When used in this document, words such as “could”, “plan”, “estimate”, “expect”, “intend”, “may”, “potential”, “should”, and similar expressions are forward looking statements. Although Viking Ashanti Limited believes that its expectations reflected in these forward looking statements are reasonable, such statements involve risks and uncertainties and no assurance can be given that actual results will be consistent with these forward looking statements.
