

ASX Announcement

1 December 2014

ASX Code: VKA

Ghanaian Gold Assets Strategic Review

Viking Mines Limited (**Viking** or the **Company**) is pleased to advise that the strategic review of its Ghanaian gold assets has now been completed. The recently announced review has been conducted by the Company's corporate advisors, Emerald Partners Limited (Emerald).

Emerald has contacted a number of Parties who have expressed interest in acquiring Viking's Ghanaian gold projects. Confidential access to Viking's detailed project data has been arranged for these parties through Emerald's process. This process will enable formal offers to be made.

For further information, please contact either the Company on +61-8 6313 5155 or Mr Matthew Howison of Emerald on +61-2 9251 5067.
